FYI I requested that OW give us written approval of **Deliberative Process / Ex. 5** of ORD signing it - rather than just hearing indirectly through OCIR that OW was okay with it. So, that's what this note from Peter is all about.

Jennifer and Sam,

Per your request, I wanted to let you know that I have reviewed the draft response to Congressmen McNerney, Tonko, and Pallone. **Deliberative Process / Ex. 5** and support ORD signing the response, once it comes to ORD for signature after OCIR review.

Please let me know if you have any questions.

Thanks,  
P. Grevatt
